

Form for Application/ Amendment/*Validation/Surrender of a **United Kingdom Ship Radio Licence or a **United Kingdom Ship Portable Radio Licence

Please note that Ship Radio Licence applicants and Ship Portable Radio Licence applicants are encouraged to register and apply for and print their ship radio licences via the Ofcom website www.ofcom.org.uk. This entitles you to a free licence.

A separate form should be used for each type of licence. Only one licence can be applied for on each form.

Please refer to the 'Ship Radio Guidance Notes for Licensing' Of168a when filling in this form.

Further information is available in 'Ship Radio Information' Of19a.

All fields are mandatory unless stated otherwise. Exceptions are Title, Tel No, Fax No, and E-mail. However, failure to supply this information may hinder Search and Rescue operations and may also delay the processing of forms.

Please use **BLOCK CAPITALS** and black ink throughout this form and use a separate sheet of paper for supplying additional information, clarification, or if space is not sufficient.

Tick if you have attached a separate sheet(s).

General information

The use of all maritime radio transmission equipment on board a vessel must be covered either by a Wireless Telegraphy Act Ship Radio Licence or Ship Portable Radio Licence.

Before completing this form, please read the guidance notes.

Please ensure that this application form is completed fully. Your application may be returned to you if it is not.

Important

- 1 Maritime radio transmitting equipment may be operated only by or under the direct and personal supervision of the holder of the appropriate Maritime Radio Operator's Certificate of Competence and Authority to Operate. Details of these are available from the Maritime and Coastguard Agency (MCA). See 'Ship Radio Guidance Notes for Licensing'.
- 2 The radio equipment covered by this licence must meet certain performance requirements as detailed in Section 4 of the guidance notes.

The Data Protection Act

The information you provide in this form and any information submitted will be used by Ofcom for the purpose of issuing, amending, validating and surrendering a Ship Radio Licence or a Ship Portable Radio Licence. See Ofcom's website for our data protection statement www.ofcom.org.uk

The information held by Ofcom will be updated as appropriate by relevant numbering records provided by Inmarsat, Accounting Authority Identification Code records provided by the (Maritime Radio) Accounting Authorities and EPIRB/PLB records provided by the MCA.

This information may be provided by Ofcom to the International Telecommunication Union (ITU) and the Maritime and Coastguard Agency (MCA) to assist in Search and Rescue operations and to help ensure that the information held by the ITU and MCA is accurate and up to date. This information may also be provided by Ofcom to law enforcement agencies (such as the police) for crime and taxation purposes as well as the Maritime administrations MCA Channel Islands and the Isle of Man. We will keep your information confidential and will not disclose it to third parties, except where we are required to do so by law or where we have obtained your consent in advance.

Please note that in general, licensing details of Ship Portable Radio licences are not sent to the ITU.

* Licensees are required to validate their details at least once every ten years unless they have notified Ofcom that their details have changed during that period.

** Including the Channel Islands and the Isle of Man.
