NOTICE OF VARIATION

VARIATION NUMBER 13 DATED 21 APRIL 2011

WHEREAS

A. The Secretary of State in September 2005 set out the timetable for Digital Switchover in the UK. The Licence was varied accordingly.

B. The process for Digital Switchover requires amendments to be made to the Licence provisions relating to the transmission arrangements on a regular basis.

C. In order to reduce the administrative burden associated with ongoing Licence variations related to the Digital Switchover process, Ofcom has decided to publish a consolidated Table of Digital Terrestrial Broadcasting Stations for Multiplex Licences and Digital Switchover Timetable and to reference those documents in the Licence, and to make other consequential deletions and amendments.

D. In accordance with section 3(4) of the Broadcasting Act 1990, the Licensee has been given reasonable opportunity to make representations on the proposed variation.

NOW THEREFORE the Licence shall be varied in the following manner:

By removing the Schedule and Annexes to the Licence, and replacing them with the Schedule and Annexes attached to this variation.
Unless otherwise stated, this variation to the Licence shall come into force on the date it is executed by Ofcom.

This document shall be construed as if it formed part of the Licence and shall be governed by English law.
